As the biggest health and safety membership organisation in the world IOSH are committed to creating a world which is safe, healthy and sustainable.

IOSH are the first European safety body to be awarded NGO by the International Labour Organisation (ILO). IOSH are the only chartered body for health and safety professionals in the world!

MHA Training Ltd, offer a variety of IOSH courses mainly including the IOSH Managing Safely and Working Safely courses at our Training Centre in Warrington and out on-site.

IOSH Managing Safely

This Managing Safely course is designed for Managers and Supervisors of any organisation or sector, it is unlike any other. Full of step-by-step guidance, and with a sharp business focus you'll find that the highly innovative format and content inspires delegates, critical to get essential health and safety messages across.

This course is delivered over 4 days either consecutively or 4 days taken in a 6 month period.

IOSH Working Safely

This course is designed for people at any level in any sector and meets government guidelines for introductory health and safety training. Its 100% match to Health and Safety Executives 'Passport' syllabus.

Working safely is a one day course offering jargon free health and safety basics.

IPAF are the industry leader in providing training for Mobile Elevated Work Platforms commonly known as scissor lifts and cherry pickers. MHA Training is a fully approved and accredited IPAF training provider and can deliver their courses both at our training centre in Warrington or out On-Site at customers premises nationwide.

The International Powered Access Federation (IPAF) promotes the safe effective use of powered access worldwide. Set up in 1983 IPAF is a not-for-profit organisation that represents the interests of manufacturers, distributors, users, rental and training companies.

IPAF has played a key role in promoting many of the design safety and testing procedures that are now established in the powered access industry. IPAF train more than 90,000 operators each year.

PAL Card

Those who successfully complete IPAF training at our training centre or out on-site are awarded the PAL card, (Powered Access Licence) the most widely held and recognised proof of training for platform operators.

The PAL card is valid for 5 years and shows the machine categories that the operator has been trained in. It also features the holders photo and signature, and can be verified by IPAF.

Courses Available

Operators: this course instructs an operator to prepare and safely operate various types of MEWP.

Demonstrators: this course trains a demonstrator to familiarise operators with their responsibilities and demonstrate pre-operational and safe operating procedures and limitations of the MEWP.

RTITB is the largest lift truck training accrediting body in the UK and Ireland, working with over 500 of the UK and Irelands best trainers.

RTITB approves/ accredits the content and delivery of materials handling equipment training through the National Operator Registration Scheme (NORS) a centralised validation, registration and certification scheme for all RTITB accredited training.

RTITB is recognised throughout the United Kingdom and Ireland by the Health and Safety Executive (HSE). The RTITB have over 40 years experience of setting training standards, accreditation and monitoring.

MHA Training Ltd, offer the following courses either at our Training Centre in Warrington or out on-site:- **Novice, Experienced but Untrained, Conversions and Refreshers.**

We train on almost every type of truck which includes, Counterbalance, Reach, Very Narrow Aisle, Flexi, POET, Rough Terrain Telehandler and many more.

On successful completion of an **RTITB** Accredited courses all candidates will receive a Certificate, training paperwork, Photo ID and entered onto NORS (National Operator Registration Scheme).

We also offer **RTITB Instructor Courses**, this enables companies to have their own fork lift truck Instructor, who is able to train and examine operators on company premises. Also it could be an opportunity for an individual to embark upon a rewarding career as a recognised lift truck Instructor. We offer Re-Registrations, Assimilation and Novice Instructor Training.
